Holidays come in a period when people have leisure time. In most places, it is called summer time. It comes after working periods, i.e. the time students go to school or people go to work. Last holiday Hoa's family and she went to the United States of America. It took 12 hours to reach their destination. In the airport there were no services in their phones so they decided to buy a sim card. After this, a man took them to the hotel called Land mark Plaza they booked online. It was so beautiful and neat but it is also a busy place. The price was too expensive because of the festival season. They went to their room, they took a nap. The next day they woke up at 7a.m. They took a bath and had breakfast. Wow, the breakfast was rich with so many things that they ate to their satisfaction.

During the holidays, they went sight-seeing. They bought food and other things. They also participated in some of the activities at the festival, too..

After a week there, they went back home with unforgettable memories. The journey was long and tiring but interesting. They enjoyed it so much.
